TOWN MEETING WARNING

The State of New Hampshire

To the Inhabitants of the Town of Pittsburg in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Pittsburg on Tuesday, the 10th day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers, for the year ensuing.
2. To raise such sums of money as may be necessary to defray Town charges for the year ensuing, and make appropriation for the same.
3. To see if the Town will vote to accept State Aid and raise money for the same.
4. To see if the Town will vote to raise \$12,000 to finish the Hall Stream road.
5. To see if the Town will vote to hire a Police and raise money for same.
6. To see if the Town will vote to exempt from taxation for a term of ten (10) years, a manufacturing establishment, if erected in said town, "which would be for the purpose of manufacturing Veneer & Plywood", also the capital which would be used in operating the same, providing any such enterprise is established and put in operation within two years from March 10th, 1925.

7. To see what action the Town will take in regard to street lights and raise money for same.

8. To see what action the Town will take in regard to fire department and raise money for same.

9. To see how much money the Town will raise for highways and bridges more than required by law.

10. To see if the Town will raise \$2,700.00 to meet the State in a like sum to oil and maintain State highway.

11. To see if the Town will vote to discontinue the highway in the Town of Pittsburg leading from the main road near Round Pond Brook on the Charley Merrill farm to the Edd Merrill farm so-called.

12. To transact any other business that may legally come before the meeting.

Given under our hands and seal, February, in the year of our Lord nineteen hundred and twenty five.

P. R. SCHOFF

A. H. CURRIER

A. P. MERRILL

Selectmen of Pittsburg

SUPERINTENDENT'S REPORT

Feb. 1, 1924 to Feb. 1, 1925

In presenting my third report to the citizens of Pittsburg, I can speak with a note of optimism, for the progress of our schools is very gratifying.

The percent of attendance for the year ending June 30, 1924 was 90, as compared with 89 in 1923, and 86 in 1922. The number of pupils not absent or tardy for the year was 12, whereas in 1923 only 2 made such a record.

Since September 1924, however, there is a marked improvement in attendance and if the present good record continues, we shall be able to report 94 or 95 percent when the year closes in June.

In spite of cold weather and snow, our high school students have broken all previous records and brought their percent of attendance up to 96.42, which is above the State average and more than 3 percent above our standing for the past three years. If this continues until June, we shall be able to send in a report of which Pittsburg will be justly proud. The school spirit is excellent and the pupils show an active interest in all that pertains to the welfare of the group. This is what our teachers have worked to bring about.

In the elementary schools we also note an attitude of interest on the part of both teachers and pupils, and a spirit of co-operation which is sure to produce successful results.

Music has been introduced this year and is proving to be one of the most interesting and beneficial subjects

in the curriculum. Music appeals to everyone and our school children are very fortunate in having such an opportunity. In the high school one half hour a week is devoted to singing and a longer period in the grades. Another new feature in the program is the rhythm work and folk dances, with the primary children. In this work the pupils are taught to keep step with the music and have learned many very pretty drills which the public had an opportunity to observe at the School Exhibition. This type of drill tends to develop muscular co-ordination and graceful movement.

These additions to our course are not fads, but may be considered necessities, for music is an expression of the soul, without which life would be dreary, and poise is a vital element of success. The fundamentals are not neglected, for progress is being checked up by the frequent use of standard tests. A particular effort is being made to improve reading and spelling.

A very successful exhibition was held in the Town Hall, Feb. 6th. A program of music and drills, closed by a spelling contest between Canaan High and Pittsburg High was enjoyed by an audience of over 300.

The success of our school system is not of a transient spectacular nature, for it has a solid foundation. We may say that it is founded upon a rock and if this foundation is preserved, the structure will fall not. The foundation of our school progress is a corps of well trained, conscientious teachers, assisted by community co-operation.

Our ultimate aim should be a Normal trained teacher in every school. Parents should try to visit schools more and get first hand knowledge of the teacher's problems.

Close co-operation among all parties concerned, helpful supervision to preserve the continuity of the system, and well trained interested teachers supported by solid community loyalty are the elements which will keep up the efficiency of our schools.

In closing, I wish to express my appreciation of the good work of our teachers, and to thank teachers, pupils and citizens for their co-operation.

It is our aim to preserve the present efficiency and to labor for continued progress.

Respectfully submitted ,

William F. Skelton, Supt.

New Hampshire State Library
